PRE TAN

If you have dry skin make sure to heavily lotion days prior to your tan, Stop the day of.

Spray tans can drying, so hydrated skin is best for a great tan.

If you have old tan on, please exfoliate a couple times a week leading up to your appt.

Shave and exfoliate the day before.

If you must shower the day of, make sure it's at least **4 hours** before your appt - use cool water + do not wash your hair.

Do not shower right before we see you.

No makeup, deodorant, jewelry or lotion on at time of appointment.

Have baggy, loose clothing (that covers your arms and legs) ready to wear after.

No robes. Avoid tight clothing right before, any marks will show through your tan.

Nails/waxing /massage appointments done the day before.

The spray tan should be the absolute last service.

No workouts for 24 hours post tan.

POST TAN

8 Hour Solution

You can rinse off in 8 hrs, do not keep on longer than 24 hrs.

Rapid Solution

When you rinse determines the color,

2 hrs - light,

3 hrs - medium

4 hrs - dark

5 hrs - extra dark

[Tap here for](#)

[Example of Rapid Development](#)

You'll see full development of color in 24 hours.

Tan will last 7-10 days.

For your rinse,

No soap, just water. Rub your hands **ALL OVER** your body to get all the bronzer off. You'll see color go down the drain, that's perfectly fine. Do not wash hair. No lotion after rapid tan.

[Tap here for how to rinse video](#)

After the first rinse,

You can use clear shower gel.

No bars of soap or colored gels. Avoid **dove soap**.

Be mindful of shampoo/conditioner on your back. Wash it well so there's no residue. Moisturize after your soap shower. Pat your skin dry.

PRO TIP: Moisturize daily. Drink lots of water.

What to Wear

LONG SLEEVES, OR HOODIE.

SWEATPANTS, LONG PANTS

What to Not to Wear

DRESSES, SHORTS, TSHIRTS, TANKS,

ROBES

You want to keep your skin covered to avoid any skin to skin transfer and outside factors.

Place fabric tucked underneath your breast and into underarms to avoid transfer as well.
